

Musical Theatre: Take It From the Top

The Department of Elementary and Secondary Education (DESE) has collaborated with Arkansas PBS and the Arkansas Educational Theatre Association to provide professional development for instructors in music, theatre, and dance on July 14, 2020, from 9 am to 4 pm.

Veteran Broadway performer and audition coach Arbender Robinson (www.arbender.com) will present **Musical Theatre: Take It from the Top**. Teachers will spend a fun-filled, active day talking about the professional world of musical theatre and how the professional world reflects the educational theatre world. Strategies for theatre as a process-oriented art form and techniques for both rehearsing and auditioning in the Post-COVID theatre will be presented.

The engaging, six-hour workshop will be delivered via Zoom and Google. It will not be recorded for later viewing, and there is no charge. All workshops will begin at 9 am and finish at 4 pm.
