Notes about Individual Event Performances:

1. Many rules, ballots, and other items have changed due to changes at the national office.
2. PLEASE READ CAREFULLY ALL DOCUMENTS CONCERNING INDIVIDUAL EVENTS.
3. Remember that you will be charged a \$10 fee **per participant** for each Individual Event. The Tech Challenge Team has a fee of \$20 **per TEAM MEMBER** made out up of 4-7 team members each.
4. Be sure to register all of your Individual Events entries—including **Tech Challenge Teams**—on the online form by the December 5 deadline or your students will not be allowed to compete. You must have the exact titles of the material each student is using. NO CHANGES CAN BE MADE AFTER JANUARY 10.
5. All students must also be registered to attend state conference by the December 5 deadline to participate. Due to the large number of entries, the IE competition rounds will be held on Thursday, Friday and Saturday. A schedule will be sent in January.
6. Each school may have up to three entries per individual event except the Tech Challenge Teams which is limited to two teams. Students are only allowed to enter one Individual and one group event, not including Tech Challenge.
